## Grants Spotlight

### **Grant Spotlight-CRAOL has trained 138 older people to become radio broadcasters**

In 2015 The Community Foundation for Ireland awarded [CRAOL](#) an Impact Grant of €185,000, to be spent over two years, to give greater “voice” to older people. With the funding, CRAOL is providing innovative programme-making training for older persons in community radio stations across Ireland. The objective is to enable older people to be able to advocate on their own behalf through programmes that are made about issues facing them, involving older people not just as contributors but as programme makers.
